Membership Guidelines for Parents and Carers

We would appreciate it if you could read through the guidelines and notes below and sign and return one copy to acknowledge your acceptance. Please keep the second copy for your reference. If there is anything that you are not agreeable with please notify us in writing to The Chair of ESCAPE, Mel Hedgecock-Reeves, 3 Discovery House, Cook Way, Bindon Road, Taunton, Somerset TA2 6BJ.

Whilst ESCAPE does everything within its power to research all aspects of its activities and outings including all Health and Safety issues, the following should be carefully noted.

In order to ensure that ESCAPE continues to be welcomed everywhere, each individual Parent/Carer must be ultimately responsible for the care and behaviour of all persons within your family group (children or otherwise) whilst attending any activity or event, organised by ESCAPE. ESCAPE is unable to offer a child care facility during activities or outings therefore each and every child must be supervised at all times by the accompanying Parent/Carer. To date we maintain a high reputation for being a courteous and polite Group and it is most important that we continue to uphold this tradition.

It is your responsibility to always leave a tidy site. Please ensure you leave all modes of transport used and every place visited as you found it. ESCAPE cannot be held responsible for damage done to property or items belonging to the various Services upon whom we depend. Should any individual be in the unfortunate position to have accidentally damaged anything the onus is on that individual to declare that damage and to the best of their ability "put it right".

Whilst extended family members are of course always welcome by ESCAPE on activities and outings, each individual must exercise reasonable discretion as to the number of persons whom they invite. Tickets for outings cannot be issued to unlimited numbers and therefore it is essential that those who benefit from our many reduced rate activities are those for whom these rates are intended. If any doubt consult either of the Charity Co-ordinators or any committee member who will be happy to advise.

Any medical requirements that a family member requires, and any first aid that may need to be administered is the responsibility of the accompanying Parent/Carer.

ESCAPE often needs photographs, video footage, comments and quotes of and by its members. These help us to secure funding and to help promote a positive image of ESCAPE in the media. We would like to make it clear that we fully accept all individuals rights to privacy and therefore should you wish us not to use photos/quotes etc please clearly strike through this paragraph.

Due to circumstances beyond our control there may be occasions when our activities and outings may have number restrictions, be altered or withdrawn without prior notification.

Our Equal Opportunity Policy and Child Protection Policy can be viewed upon request.
