PLEASE NOTE ;

There are several members/families attending where wheelchairs/mobility aids are required. Priority for downstairs seating will be given to these members. Therefore, larger family groups will be split to ensure all those requiring downstairs seating are catered for. Seats will be allocated on the day. These will be your seats for the return journey also.

On arrival luggage will be taken to a secure storage area (to be confirmed on arrival – staff will sort), and you will be guided to your first booked activity, after which lunch will be provided. You may also like to book any further activities at this time prior to further guests arriving. There is a small room with walls covered in lists of activities, and you just fill in the slots you'd like (staff will show us where on arrival). Members are personally liable for any “paid” activities.

As soon as your room becomes available you can collect your luggage and settle in (from 2pm). The reception will have your key and direct you to your room.

You are then free to access the activities, chill out, enjoy the location...whatever suits you. There is plenty to entertain.

Please remember, **ALL CHILDREN MUST BE SUPERVISED AT ALL TIMES**...this does not mean you necessarily have to join in the activity, but you must be watching. Hotel staff and Escape staff are not responsible for providing child care, but are available should you require support. Children should not be seen wandering around the hotel/resort unsupervised.

On Friday evening from 7.00-8.00pm we will be meeting in the Dartmoor room for an "Escape's Got Talent" show. We're looking forward to seeing what skills and secret talents our members have been hiding! Mums and Dads are welcome to join in too!

Breakfast, lunch and dinner are served in the dining area, and soft drinks/teas coffees at mealtimes are included in the price. There is a bar and coffee machine for outside of these hours.

During the evening entertainment is provided by the resort – for both children and adults.

Should you have any issues whilst on site and cannot find an Escape staff member please ask at reception for Sally if it is regarding bedroom/site accessibility, Lisa if it is regarding issues with your room, or Jason if it is regarding activities....although I'm sure any staff member will be happy to help.

What should you bring?

Comfortable clothing/trainers for accessing all the sporting activities available.

Old clothing/large t-shirts for paint/craft activities.

Swimwear and towel (and goggles?).

On Sunday morning luggage will again be stored securely, until departure. Please collect from 3.30pm, for a prompt departure on Sunday at 4pm, returning to your original pick up point.

COACH ETIQUETTE...

Please sit your family as a group together, unless requested to split your group.

Please ensure all seat belts are done up for the duration of the journey.
